Tahoe Donner Hiking Club

Release of Liability

Rev.2018.11

In becoming a member of or participating in activities sponsored by the Tahoe Donner Hiking Club, I agree as follows:

The Club sponsors events and activities that include participation in recreational activities involving inherent and other risks to my personal safety and property. Hiking and backpacking pose risks to all participants that cannot be eliminated. Those risks can result in personal injury, including the potential for permanent paralysis or death, and loss of or damage to property. I acknowledge that hiking and backpacking present a variety of hazards and dangers due to high altitude, changing weather conditions, insects, wild animals, loose rocks and boulders, steep terrain, trees, streams, lakes, waterfalls, falling by myself or with other hikers. I also acknowledge that most trails are in wilderness areas that could significantly delay the response time in a medical emergency.

I agree that hike leaders shall have complete discretion to make decisions regarding rescue operations should I, or any other participant, need to be rescued. Provided I am incapacitated or rendered incompetent due to illness or injury and I am unable to make my own decisions, I consent to any emergency medical treatment or hospital care that may arise from participating in the Tahoe Donner Hiking Club. Furthermore, I agree to carry a current "Medical Information Form" in my hiking pack at all times and will inform Hike Coordinators and Hike Leaders of any pre-existing medical conditions and any and all medications I will be taking on the hike.

I certify and state that I am fully capable, physically and mentally, to participate in club-sponsored activities. I am the only one upon whom I have relied on to determine whether I am able to safely participate in these activities; I have not relied upon either the Club or Tahoe Donner Association in making that determination. Understanding the risks involved, and acknowledging that those risks may or may not be obvious, foreseeable, or inherent in the activity, I voluntarily choose to participate and thereby assume all risk of personal injury or property loss that may result from such participation. I understand that neither the Club nor Tahoe Donner Association is assuming responsibility for my safety during my participation.

Therefore, in consideration of my being permitted to participate, I, on behalf of myself, my heirs, spouse, next-of-kin, personal representatives, and assigns, do hereby assume all risk of personal injury, paralysis, death, or property loss resulting from any cause whatsoever including, but not limited to, the risks inherent in or otherwise associated with the activity and the negligence of either the Club or Tahoe Donner Association for any such claims.

I HAVE READ THIS DOCUMENT AND UNDERSTAND THAT I AM RELINQUISHING SUBSTANTIAL RIGHTS BY SIGNING IT. I AM SIGNING IT VOLUNTARILY AND INTEND THAT IT REMAIN EFFECTIVE UNTIL REVOKED BY ME IN WRITING.
